QUEENS K-RATION

During the Second World War, the hotel was home to American servicemen before returning to the US. Whilst on the front line, each soldier was issued with a ration pack which was fondly known as a K-Ration.

We have taken inspiration from the story of the K-Ration and its place in Queens' history to create our own indulgent version of this classic.

Our Queens K-Ration includes:

- Eggs Benedict*
- Toast & Butter*

- Preserved Fruit Bar*
