SWEET

Jinzu

A London gin inspired and influenced by Japan and its culture. Blended with sake and Japanese cherry blossom, this interesting gin brings a sweet luxurious mouth-feel to the table whilst managing to remain crisp on the finish.

Dictador Colombian Treasure

A citrus-forward gin using lemon mandarin becomes sweet and textured by being aged in a rum barrel for 35 weeks.

Smooth Ambler Barrel-Aged Gin

Vanilla, warming pepper and slightly Bourbon-like. Buttery mouth-feel with a slight citrus kick bound by the complex Bourbon flavours.

G'Vine Floraison

Ginger root, liquorice, coriander, nutmeg, lime and green grape are just a few of the ten botanicals that bring this French gin to life. Sweet and floral.

Bathtub Old Tom

Typical Old Tom with a higher sugar content and orange peel providing a sweet treat experience with a citrus twist.

FRUITY

Warner & Edwards Rhubarb Gin

Less heavy on the cardamom than the elderflower version. Fruity, sweet with slight spice and herbal feel, perfect on a hot summer's day.

Sibling Distillery

A gin with a superb mouth-feel, that wonderfully delivers notes of fresh citrus, creamy vanilla and bright, fruity blueberry.

Bathtub Sloe

Heavy on the sloes, this sweet and moreish gin goes perfectly with our 'Beauty and the Beets' cocktail.

Brockmans

Blueberries and blackberries with a hint of strawberry are the sweet fruit components that dominate the nose and palate.

DRY

Portobello Road

Traditional botanicals from yesteryear. Juniper-driven with citrus, liquorice and nutmeg. Dry, oily feel with a bit of spice.

Boodles

Coriander seed, angelica root, caraway seed, nutmeg, rosemary, sage. Dry, medium- to full-bodied with a herbaceous spice.

Bathtub

Lightly tinted by the botanicals, bold and perfumed. Juniper, orange peel, coriander, cinnamon, cloves and cardamom.

CITRUSY

Brennen & Brown Colonial

Cheltenham-born gin with big bold characteristics. Juniper-driven with pink grapefruit, lemon and orange peel providing the citrus blast.

Chase Eureka

Eleven botanicals with an intense citrus body. Eureka lemon, Valencian orange and pink grapefruit are married with elderflower and liquorice.

Copperhead

A Belgian gin that sets the new era of gin drinking. Accompanied by flavour blends, this naturally sweet gin will change its profile to suit the time of day and occasion, believe it or not!

FLORAL

Six o'Clock

Elderflower-infused with big floral notes. A dry crisp finish with a theatrical garnish that will heighten the experience.

Dorothy Parker

Sweet and floral on the nose with a strong juniper spice. Lavender, hibiscus and elderberry add a floral feel.

Botanist

22 hand-foraged botanicals including wild Islay juniper. Delicate menthol and floral notes with a subtle citrus finish.

Monkey 47

Bold aromas of pine blossoms, peppercorns and candied lemon. Vibrant citrus, floral and herbal dimensions that give this German masterpiece an individual and certainly one-of-a-kind taste.

SPICY

Opihr

Spicy, cardamom-heavy. Botanicals include Indonesian cubeb berries, Moroccan coriander, Indian black pepper, juniper, orange and grapefruit.

Brennen & Brown Ginger

A citrus-led gin with a spicy savoury palate pronounced by a clever yet subtle hint of ginger.

Pink Pepper

Plenty of peppery aromas, providing a spicy but sweet nose. Honey and vanilla counteract the spiciness of this full-bodied gin.

Cotswolds Dry

Using local ingredients including hawthorn berries, lemon balm and distilled with hops. Cracked black pepper provides the heat and spice to this local unfiltered example.

Tarquin's Cornish

An aromatic sensation by combining orange zest and Devon violets whilst on the palate remains contrastingly spicy with botanicals sourced from around the globe.

SAVOURY

Hendrick's

Satiny, dry yet fruity medium- to full-bodied. Aromas of cucumber, rose, honeyed citrus and floral juniper.

Gin Mare

Very herbaceous, no root botanicals. Arbequina olive, rosemary, thyme, basil, mandarin, juniper, coriander, cardamon, bitter orange, sweet orange, lemon.

Elephant Gin

14 botanicals. African influence: baobab, buchu plant, devil's claw and wormwood. Smooth, spicy, savoury and dry with exotic flavour.

Cream Gin

Traditional classic recipe. Secret blend of botanicals with 100ml of cream. Vanilla sweetness adds smoothness.

VII Hills

An Italian-inspired gin produced in London by two Italian bartenders whose desire was to make a gin that would create the perfect Negroni. A herbaceous and very fragrant gin with botanicals such as chervil and lavender.
